PALISADES DINING CHAIR

VERSATILE SOPHISTICATION

Blending streamlined design with subtle elegance, the Palisades Dining Chair delivers a clean, versatile aesthetic that complements a range of interiors with effortless sophistication.

Why We Love It
(And Your Customers Will Too):

SOLID CRAFTSMANSHIP

Expertly built on a kiln-dried Beech wood frame, each chair offers exceptional strength and lasting performance—made to withstand everyday use with enduring quality.

THOUGHTFULLY FRAMED

The exposed wood base introduces a sculptural element, grounding the soft upholstery with clean lines and refined, architectural detail.

GENEROUSLY SIZED, SEAMLESSLY STYLED

With a roomy seat and armless profile, Palisades offers classic comfort in a clean, modern form—perfect for spaces that call for generous seating without the bulk.

STYLE THAT FITS ANY SETTING

Subtle details and structured simplicity make Palisades a natural fit in transitional, contemporary, or classic interiors.

PALISADES DINING CHAIR

COMING FALL 2025

Expanded Options with Industry-exceeding Commercial-grade Upholstery

This fall, the Palisades series gets a performance upgrade with new high-abrasion upholstery options from Texstyle®—designed to exceed industry durability standards.

Backed by Mercana's 24-month hospitality warranty and 1-year residential warranty, these new additions are built to perform in both commercial and home settings.

All new fabrics meet strict environmental and safety certifications, including REACH compliance, formaldehyde-free content, and CA TB 117-2013 flammability standards.

Select styles will feature PFAS-free, C0 water-repellent treatments for added resilience.
